

### **SAMPLE INDOOR POSTING**

Post notices to residents and/or workers in your building(s). A sample is provided below (in duplicate) for you to copy and place in bathrooms, chemistry labs, and at maintenance areas with sinks and/or floor drains.

#### ***PROTECT YOUR WATER SUPPLY!***

- Don't pour hazardous materials (paint, thinner, cleaning products, pesticides, waste oil, etc.) down the sink, toilet, floor drain, or on the ground
- Don't use, store, or dispose of toxic and hazardous materials/wastes in this area
- Take leftover household hazardous chemicals to a hazardous waste collection center

To report suspicious activities or if you have any questions, please contact the water supplier \_\_\_\_\_ at (     ) \_\_\_\_\_ - \_\_\_\_\_ or the Department of Environmental Protection/Drinking Water Program at (617) 292-5770.
